

LOCAL NEWS.

MONDAY EVENING, OCTOBER 27.

For this section colder, high, northwesterly winds, fair weather, frosts to-night, and temperature near freezing.

HIGH TIDES.—The northeast winds of Saturday night and yesterday again caused high tides in the river, and yesterday evening many of the wharves were submerged, the water extending up King street to Union. The floors of several of the buildings, flooding the Strand. Some of the steamboats and passengers in making their landings and passengers were put to some inconvenience in getting to and from the wharves, those for Washington having to abandon King street at Union and use Market alley. The current in the river being but slight, little damage was done. Last night the wind veered to the northwest, and to-day the tides have been normal.

DEAD.—Mr. George W. Harper, a well-known Alexandrian, died at his residence, on north St. Asaph street, about one o'clock this morning. The deceased had been a sufferer for some time from Bright's disease. He was in his 55th year, and for the past quarter of a century had conducted the mercantile tailoring business here. Mr. Harper, in his normal condition, was a gentleman of a quiet nature in whom a vein of humor was wont to manifest itself, and he had many friends and acquaintances. He leaves a widow and three children. His brother, Mr. Anthony F. Harper, for a number of years an attaché of this office, died from the same disease in 1879.

POLICE REPORT.—Last night was cloudy and cool with two prisoners and nine lodged at the station house.

The Mayor this morning disposed of the following case:

Wm. Payne, colored, charged with an assault on Martha Butler, a so colored, was discharged for want of evidence.

Two tramps, arrested for vagrancy, were sent out of the city.

Jas. Biliard, colored, for disorderly conduct, was fined \$1.50.

A peddler for selling lemons without a license, was fined \$1 and required to leave the city.

Carry Beal, Wm. Beal, Helen Beal and Mary Luce, all colored, charged with an assault on Jennie Snow at the Third Baptist Church, colored, last night, were before Justice May this morning. After hearing the testimony of many witnesses which showed that there was much disorder, Justice May fined Carry and Wm. Beal and Jennie Snow \$5 each and Helen Beal and Mary Luce \$2.50 each.

I. O. O. F. FAIR.—The I. O. O. F. fair, which will continue the remainder of the week, is drawing good crowds and is proving very successful. To-night the Knights of the Golden Eagle will attend the fair in a body. The following is the vote for the various articles to be disposed of:

I. O. O. F. ring: T. Warnock, 13; P. C. Timberman, 10; G. W. Bontz, 5.

I. O. O. F. P. G. regalia: G. T. Price, 5; G. S. Finch, 6; P. M. Bradshaw, 4.

Ladies' gold watch: Grace Marshall, 5; Gracie Darling, 10; Rosie Cline, 8.

Ladies' diamond ring: Abbie Bettie, 6; Carrie Cox, 5; Lizzie Wheatley, 5; Mrs. Annie Brill, 7; Mrs. Henry Kraft, 5.

Red Men's pin: C. Gings, 5; Harvey Hamilton, 4.

Mechanics' pin: Chauncey Davis, 7; W. M. Glasgow, 6.

OPERA HOUSE.—To-night the New York Theatre Company will make their second appearance here in the comedy-drama entitled "Jack's Swoonheart." An exchange says it is a loveable little comedy. Jack Hester, a society man, falls in love with a rustic maiden. He marries her and then repudiates her for perjury. Sensitive as a fawn, she runs away and goes to school. Jack discovers how much he loved her and wanders abroad for three years. On his return he is introduced to a school friend of his, in whom he recognizes his wife, and a reunion takes place. There is no place for a villain in the play.

CORNER STONE LAYING.—The cornerstone of a new Catholic church at Oxon Hill, Prince George's county, Md., to take the place of the present edifice, St. Ignatius, was laid with interesting ceremonies yesterday afternoon. A large number of persons from the surrounding villages were present. Rev. Joseph A. Cunnane, of St. Mary's Church, Marlboro, performed the services of the Catholic ritual. The sermon was delivered by the Rev. Father Charles Currier, of the Redemptionist Order. Rev. Father Thomas Hughes, of Annapolis, who is the pastor of St. Ignatius, assisted in the services.

MASONIC.—The one hundred and thirteenth grand annual communication of the Most Worshipful Grand Lodge, A. F. and A. M., will be held in Richmond on December 9th.

The Grand Royal Arch Chapter of Virginia will convene in Richmond to-morrow evening at 6 o'clock in its eighty-third annual convocation.

The sixty-seventh annual assembly of the Grand Commandery of Knights Templar will open in Richmond on Thursday, the 30th inst., at 10 a. m.

A HANDSOME MAP.—We acknowledge the receipt of a map of the sub-division of the North West Alexandria Improvement Company's lands. The survey and work is that of Mr. R. W. Wheat, an Alexandria engineer, and is a beautiful testimony to his ability and skill. The sale of lots has been fixed for the 11th, 12th and 13th of November, and as this property is in the midst of a section that has been steadily advancing in price for the past two years, it is expected that the sale will be a great success.

REGISTRATION.—The registration books after being kept open at the various voting places in this city all day on Saturday, were closed that night, and no more names can be added to them till after the election on November 4th. Since the last election in May additional names have been added to the books, including transfers, as follows: First ward, 28 white and 8 colored; Second, 21 white and 4 colored; Third, 51 white and 17 colored; and Fourth ward, 38 white and 9 colored.

DAMAGE DONE WHARF PROPERTY.—Property owners along the wharves are again complaining of the damage done by the swells from the steamers as they pass up and down the river at full speed. There was a time when steamers passing the city did so at half speed, as the laws of navigation require that they shall do, but steamboat captains now entirely ignore such law and it is supposed will continue to do so until some of them are arrested and fined.

YESTERDAY.—The weather yesterday was cold, rainy and disagreeable, but few persons were on the streets. The churches, however, had good congregations. The revival services in the Baptist Church at night were especially well attended. Between thirty-five and forty persons have signified their intention of becoming members of that church.

FOR THE PANTHEONARY.—Sergt. Smith and Mr. C. J. W. Summers left here to-day for Richmond having in charge Mary Smith,

colored, who, at the last term of the Corporation Court, was sentenced to the penitentiary for having robbed the house of Mr. D. Henry of a considerable sum of money.

STICKEN WITH PARALYSIS.—Mrs. Simon Blondheim, a wife apparently in her usual health, was stricken with paralysis at her home in King street this morning, and died this afternoon. This was the third paralytic stroke Mrs. Blondheim had suffered.

PERSONAL.—Mr. and Mrs. Benoni Wheat returned on Saturday night from their wedding trip through the north.

Mr. Philip Vogelgeang has returned from the University of Virginia where he went last week to visit his son.

Remarkable Rescue.

Mrs. Michael Curtain, Plainfield, Ill., makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption, she bought a bottle and to her delight found herself benefited from the first dose. She continued its use and after taking ten bottles, found herself sound and well, now does her own housework and is as well as she ever was. Free trial bottles of this Great Discovery at E. S. Leadbeater & Bro.'s drug store (wholesale agents). Large bottles 50c. and \$1.

LOCAL BREVITIES.

We have received an invitation to attend the athletic sports at the Episcopal High School on Saturday next.

A slight fire occurred this morning in the cigar store of Capt. Geo. Young, but the flames were extinguished without sounding an alarm.

A thief on Saturday night stole a coop of chickens from in front of the store of Messrs. Harlow Bros. They left the coop in a neighboring alley.

A warrant has been issued for the arrest of young Lyles who shot Mr. Bennett at Springfield, Fairfax county, on Friday last. Mr. Bennett is suffering greatly from his wounds.

The white republican league which endorsed Mr. Hume at their last meeting did so, it is said, on his promise to recognize them in conjunction with the republican city committee.

Capt. A. J. Fair, who had a row boat stolen from him about a week ago, received a note from Benning, on the Eastern branch, to-day, informing him that his boat was there. He left for that place immediately.

FOUND IN A CORN SHOCK.—Mrs. Brand, of the S. Louis woman who jumped from a train a few miles from Clarkburg, W. Va., ten days ago while en route with her mother and children to Philadelphia, was discovered yesterday morning in a corn shock about five miles from Clarkburg. She had wedged her body into the centre of the shock and had then made a hollow place sufficiently large for shelter. In this miserable place, exposed to the almost ceaseless rain, the frosts, and the dampness, she had spent ten days, having no other food than the hard corn and a few chestnuts from a tree nearby, and no water to drink but that settling in her own footsteps in the mud. Her clothing was muddy, wet and hanging in shreds. Her limbs were so swollen she could not walk. Her tongue was enlarged until the whole cavity of her mouth was almost filled and pneumonia was almost apparent. She was taken to Clarkburg and a physician summoned, but her recovery is problematical. The woman is undoubtedly insane, and yet there are times when she talks intelligently and rationally, and she expressed satisfaction when told her children were well. She would have died in a short time from exposure.

Warrenton Democrats

[Correspondence of the Alexandria Gazette.]
WARRENTON, Va., Oct. 25.—A large and enthusiastic crowd of democrats assembled at the meeting of the democratic club here Friday night last to listen to the discourses of Messrs. James V. Brooke and Epna Hontoc, jr., who discussed the democratic principles which are embodied in the resolution of W. H. F. Lee. It is needless to say that the people of Fauquier will now as they have always done, stand true to democracy, notwithstanding the fact that the republican managers in the county are doing their utmost to elect Frank Home.
